The star behind the scenes.

Embroidery is fun. But to tell the truth, it takes a lot of work – and also a bobbin thread that lets your creative spark take hold.

Mettler bobbin thread. For embroidery that's perfect every time. And really easy, too. Because this soft, fine bobbin thread is hardly noticeable. And yet its running length is greater than ever. So you waste less time changing bobbins, and almost no time when you do.

Naturally, no wish goes unfulfilled when you're working with Mettler bobbin thread. What's more, the embroidery and bobbin threads interlace perfectly to give you a superb result. Mettler bobbin threads. Adding strength to your embroidery.

For information on spool sizes see on reverse.
